

# Blackline Master #7

## Air Quality R.A.F.T. Assignment

### Directions:

Your task is to create an original composition related to air quality. You will use the acronym R.A.F.T. to guide your writing.

**R = Role of the writer (Who is the writer? What role does he/she play?)**

**A = Audience for the writer (To whom are you writing? Who will read your writing?)**

**F = Format (What form will your writing take?)**

**T = Topic (What will you be writing about?)**

Select one role, audience, format and topic from this table to guide your writing:

Role	Audience	Format	Topic
Ecologist	Premier	Letter	Respiratory illness
S.U.V.	Parents	Diary entry	Acid rain
Chemical company manager	Rancher	Poem	Ecological footprint
Smokestack	Junior high school students	Letter to the Editor	Smog
Ground Level Ozone	Tourism company	Advice column	Electricity production
Junior high school student	City planners	Cartoon	Alternate energy sources
Asthmatic	Specific industry	Soliloquy	Impact of recreation on the environment
Air quality technician	Lungs	Interview	Environmental responsibility
Long distance runner/cyclist	Motorists	One-act play	Air quality in our region
